**Town Deal
Drop-in
Session**

**The Town Deal team is joining
Milton Keynes Arts Centre at it's
'We Live Here', project on
Saturday 24 May at Leon Rec.**

The event at Leon Rec is part of a series of art and nature-based events, inviting you and your families to explore your surroundings, identify local species, and see what lives where you do!

The Town Deal team will be there to answer your questions about the upcoming works for Aylesbury Street, Queensway and Saxon Street. We'll have plans and visuals to show you so you can see what your town centre will look like.
